## New Conscience Productions Presents: Caminantes de La Nueva Tierra

Caminantes de la Nueva Tierra is a Music Festival to celebrate Earth Day with the community of Miami. This concert will stage a collective of emerging artists who come together with a common purpose: to sing for the awakening of consciousness, to remind us of the essential values of life, and to elevate the vibrations of the audience. The songs you will hear have been produced by **LFP (Light Frequency Productions)**, led by Salva Alba at the Soulshine Sessions studios.

## LIGHT FREQUENCY PRODUCTIONS

Light Frequency Productions presents: Caminantes de La Nueva Tierra

Caminantes de la Nueva Tierra is a Music Festival to celebrate Earth Day with the community of Miami. This concert will stage a collective of emerging artists who come together with a common purpose: to sing for the awakening of consciousness, to remind us of the essential values of life, and to elevate the vibrations of the audience. Words are decrees. They have the power to transform our reality. The artists you will see on stage tonight aim to leave words of encouragement, hope, and inspiration echoing in your mind after listening to their music. The songs you will hear have been produced by **LFP (Light Frequency Productions)**, led by **Salva Alba**

## NEW CONSCIENCE PRODUCTIONS FOUNDATION

### Mission:

The mission of New Conscience Productions, Corp is to bring healing and transformation to individuals and communities through the power of alternative healing music. We are dedicated to raising awareness about the therapeutic benefits of music and its ability to promote well-being, emotional healing, and personal growth. By organizing events, producing educational materials, and fostering collaborations, we aim to create a platform that supports the integration of alternative healing music into people's lives. Our mission is driven by a belief in the profound impact of music on the mind, body, and spirit, and a commitment to empowering individuals to access its healing potential.

### Vision:

Our vision is to create a world where alternative healing music is recognized and embraced as a powerful tool for personal and collective healing. We envision a society where individuals from all walks of life have access to and engage with the transformative power of music, leading to improved well-being, emotional resilience, and spiritual growth. Through our efforts, we strive to build a global community that values and celebrates the diversity of healing music traditions, fostering understanding, connection, and harmony among people. We aspire to be a catalyst for positive change, inspiring individuals and organizations to integrate alternative healing music into their lives and communities, ultimately creating a more compassionate and balanced world.
