EXPLORING THE POWER OF MUSIC FOR WELLNESS

Presented by: New Conscience Productions

ABOUT US:

New Conscience Productions is a nonprofit dedicated to fostering emotional well-being, inclusion, and personal transformation through conscious music, particularly rooted in Indigenous and ancestral traditions. We create immersive, culturally rich musical experiences for the broader public, children with disabilities, and senior communities. Our mission is to bring healing, connection, and awareness through the power of music.

- CREATING SENSORY SAFE SPACES WITH MUSIC
- MUSIC & SCIENTIFICALLY PROVEN HEALTH BENEFITS
- PRIORITIZING NEURODIVERGENT FAMILIES

HIGHLIGHTS 2024-25

TODO EL MUNDO DICE AHO FESTIVAL

Date: October, 2024

11th edition of the festival

Target Audience: Multicultural and spiritually conscious communities

Description: Partnered with the international cultural event that brings together artists, healers, and performers to celebrate unity and ancestral wisdom. Provided volunteer coordination and event support in communications, media management, Public Relations, Master of Ceremony

HIGHLIGHTS 2024-25

HEIVA I MIAMI FESTIVAL

Date: April 19, 2024

The cities first Polynesian Cultural Festival, a vibrant celebration of the rich cultural traditions and heritage of the Pacific Islands. Set against the scenic backdrop of Miami's coastline, this festival brings together diverse communities to honor and experience the beauty of island life.

"Heiva," a Tahitian word meaning "the celebration of life," reflects the festival's spirit of cultural expression, unity, and joy. Featuring live music, traditional dance performances, sporting events, and local and international vendors.

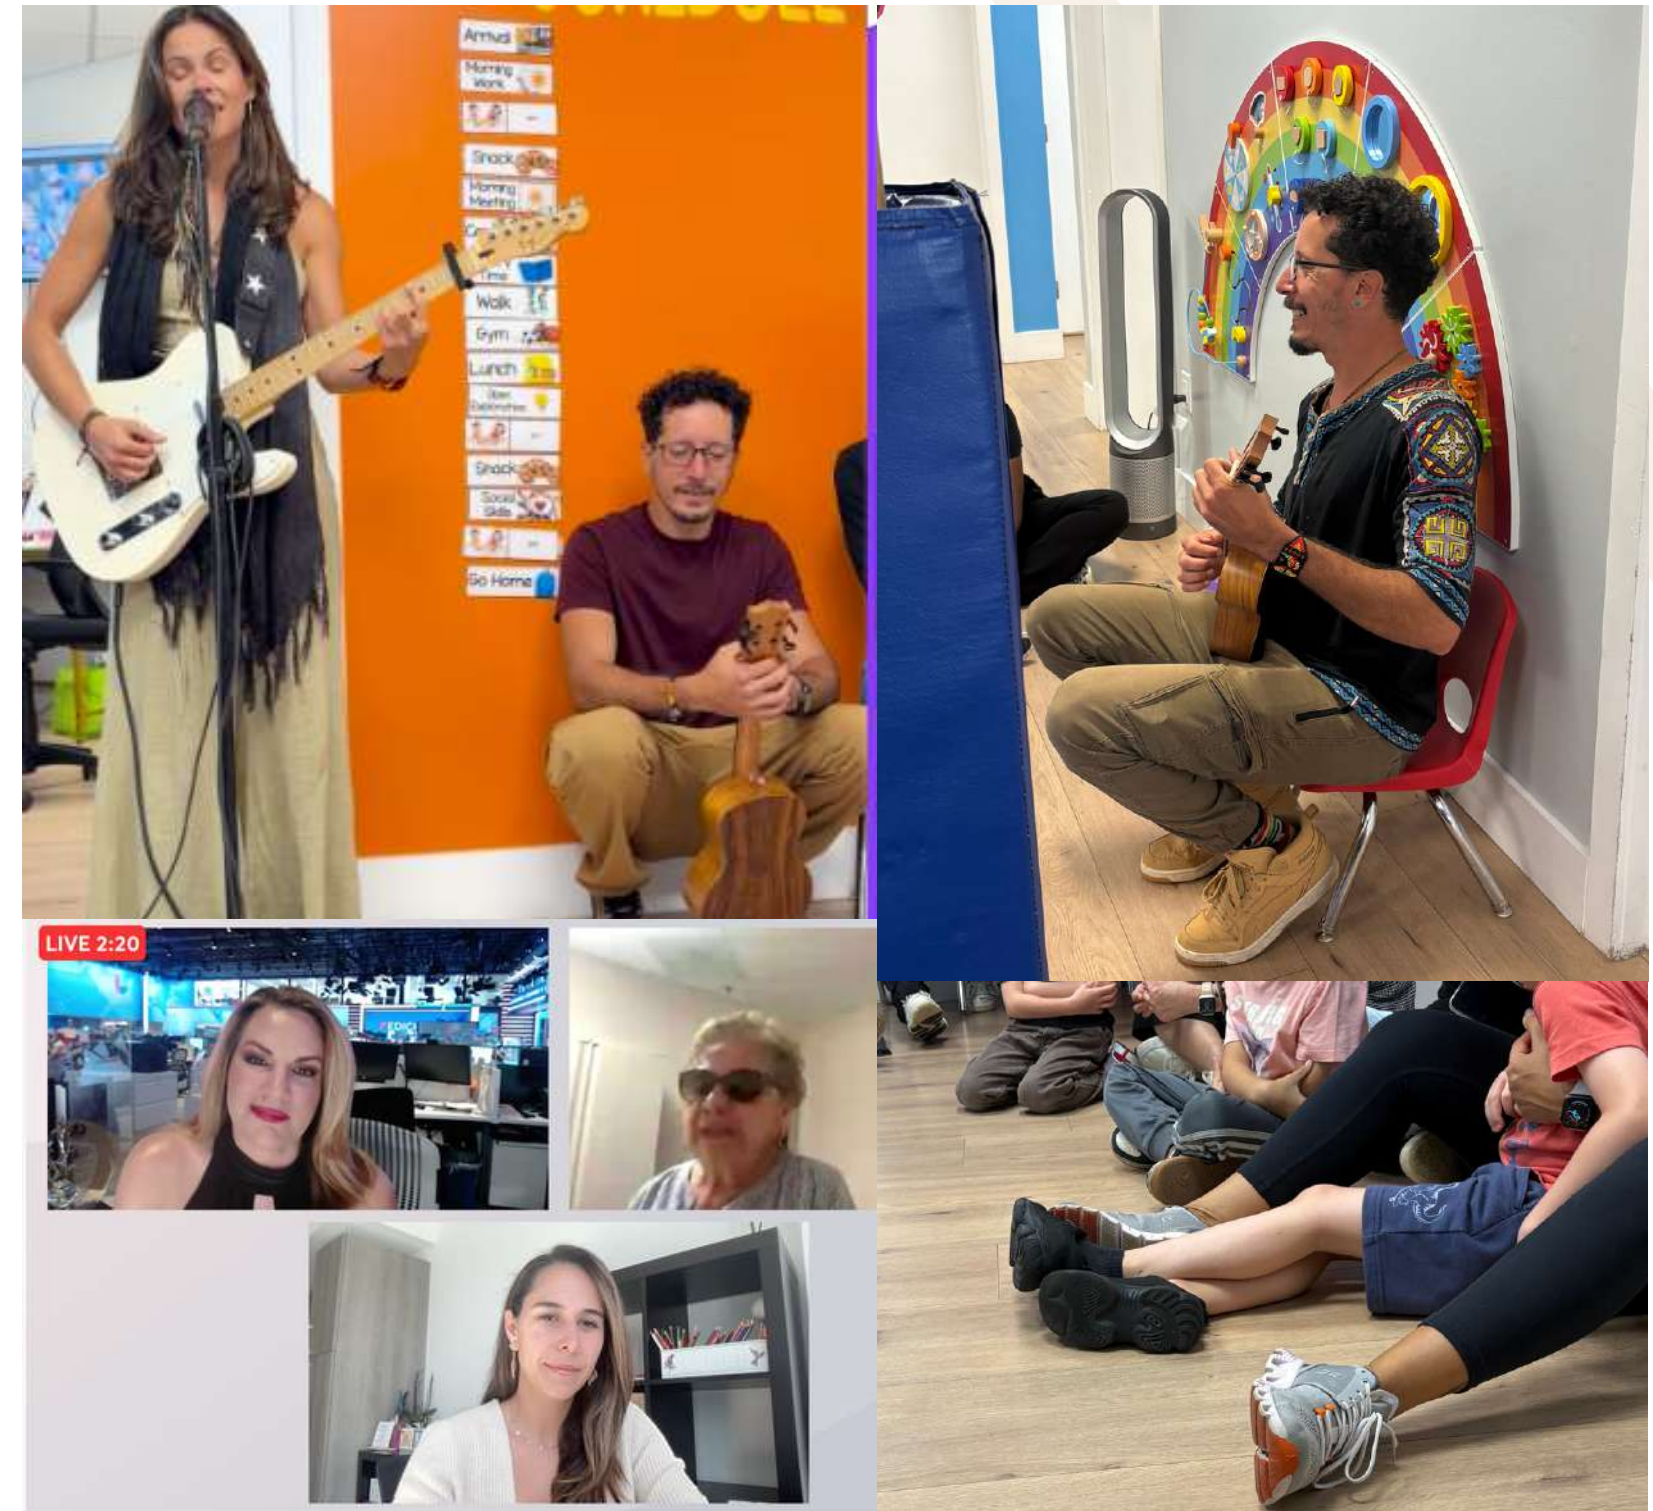

HIGHLIGHTS 2024-25

LAUNCHED CONSCIOUS MUSIC CIRCLES

Launched Conscious Music Circles as a formal outreach program to neurodiverse and senior audiences

Deepened community partnerships with local organizations serving children, families, and elders

A blind woman was able to see clearly for three minutes during our concert, proving the health benefits gained from the music. She was interviewed by Univision

CONSCIOUS MUSIC CIRCLES

LAUNCHED CONSCIOUS MUSIC CIRCLES

Conscious Music Concerts for Children with Disabilities

Date: Ongoing through 2023–2024

Target Audience: Children with disabilities in special education or therapy programs

Description: Delivered free music therapy-style concerts to 3 different local organizations. Sessions emphasized rhythm, storytelling, and inclusion through soft, sensory-safe performances.

Reach: 150+ children, neurodiverse families and caregivers

CONSCIOUS MUSIC CIRCLES

LAUNCHED CONSCIOUS SONG CIRCLES

Conscious Song Circles

Date: Four events held throughout 2023–2024

Target Audience: Community members, artists, and healing practitioners

Description: Intimate gatherings where participants share and create music as a form of expression, community building, and emotional release. These circles emphasize inclusivity, especially for neurodiverse participants.

Medicine Music Concert

Caminantes de la Nueva Tierra is a medicine music concert in honor of Mother Earth. We sing to elevate humanity to a state of joy, peace, harmony and healing. Come sing and dance with a conscious community.

WHAT'S NEXT?

OUR 2025-26 PLANS

In the coming year, New Conscience Productions aims to:

- Reach over 1,000 participants with expanded Conscious Music Circles
- Develop partnerships with 10+ care organizations
- Grow Caminantes de la Nueva Tierra attendance by 25%
- Secure multi-year funding to scale outreach and impact
